## **Saskatchewan Equine Expo at PrairieLand Park moving to October**

*September 23, 2020, SASKATOON, SK* – After much consideration and discussion, the Saskatchewan Equine Expo Planning Committee has decided to move the event to October in 2021. Normally held in February annually, the event features a weekend packed-full of entertainment, education, and demonstrations. The committee has decided that with COVID-19 still causing many restrictions in the event industry, that 2021 was the perfect year to wait and host the event in October instead.

All previous events will return including the popular Trainer Challenge, industry trade show and educational seminars presented by our industry partners, the Western College of Veterinary Medicine and the Saskatchewan Horse Federation. Also, 2021 marks the events' 10<sup>th</sup> Anniversary! Be sure to watch the website for more information and to save the date as well!

**Saskatchewan Equine Expo – WTC Saskatoon at PrairieLand Park and the PrairieLand Park Ag Centre  
October 28 – 31, 2021
